

## DON'T MISS OUT!

### **HAVE YOUR EVENT PROMOTED FOR FREE IN THE '2012 WARRUMBUNGLE SHIRE CALENDAR OF EVENTS LIST'**

Coonabarabran Visitor Information Centre is once again compiling its annual Calendar of Events for 2012 for the whole of Warrumbungle Shire.

This event list is sent free of charge to persons/ businesses/media listed on our email/fax database at the beginning of the year, with a monthly 'What's On' event listing sent out at the start of each month. This is your way to get your event profiled to more than 500 email addresses. The calendar is also posted on the Warrumbungle Shire Council and the Warrumbungle Region websites.

#### **We need your help!**

Please let us know any events your community group may have in mind for 2012, that the wider community and visitors may be interested in. Even if it's in the early planning phase at this stage, we'd love to hear about it. The Chamber of Commerce is used as a reference point for event planners and can be used as a guide to ensure a spread of events throughout the year – so we don't overlap.

**Please complete the following template and return via Email to**
